## ANNOUNCEMENT

With regret, the Clunes & District Agricultural Society announce that the 2021 Clunes show, due to be held on 20<sup>th</sup> of November 2021, has been cancelled due to the continuing health concerns faced by the community.

We are an active and long standing volunteer committee with over 65 members and are disappointed that for the second year running we cannot hold what was due to be the 160<sup>th</sup> Clunes Show. We would like to thank all our sponsors, exhibitors, patrons, stewards and judges for their ongoing support. Additionally, thanks to the large number of other members of the Clunes community whose contribution is critical to making each show a success.

We have many exciting projects that will continue over the next 12 months to improve our facilities. Our main upgrade will be the replacement of our aging toilet block. We have recently received all council permits and demolition will start shortly. This project has been made possible with support from a federal government Ag Show grant and generous co-contributions provided by Creswick and District Community Bank, Central Victorian Livestock Exchange, Wesley College Clunes, and Waubra Wind Farm.

We look forward to welcoming everyone back to our 160<sup>th</sup> Show, now planned for 19<sup>th</sup> of November 2022 and will be aiming for the “Best Show Ever”.
